

Environmental Policy

Introduction

The overall aim of our Environmental Policy is to minimise the impact of our business activities on the environment. Supporting this aim, the company operates an Environmental Management system in accordance with ISO14001:2015. It is the responsibility of all employees to identify and report incidents of Environmental Policy non-conformance, and ideas for improvement.

Policy

We at Protega Global Ltd:

- Are committed to the protection of the environment, including the prevention of pollution
- Set annual environmental objectives and measure our performance against them
- Minimise our consumption of natural resources
- Minimise polluting vehicle emissions arising from our business activities
- Prevent environmental contamination arising from our business activities
- Further improve the environmental sustainability of our product range
- Maintain the company's environmental management system to meet the requirements of ISO14001:2015
- Comply with all applicable environmental legislation and regulations
- Fulfil our environmental compliance obligations
- Ensure all staff receive role-appropriate environmental training
- Ensure our Environmental Policy is available to interested parties
- Are committed to continually improving our Environmental Management System
- Are committed to promoting the environmentally appropriate, socially beneficial and economically viable management of the world's forests
- Are committed, wherever possible and practicable, to transitioning all of our paper-based products to FSC-certified sources, and maintaining the company's FSC certification.
