The Customer is responsible for ensuring that the terms of the Order and any applicable Specification submitted by the Customer are complete and accurate including the description, specification and quantity of Goods.
- 2.3 The Order shall only be deemed to be accepted when the Supplier issues a written acceptance of the Order, at which point and on which date the Contract shall come into existence.

- (a) have the sole risk of loss or damage to the Customer's Materials except where it is necessary to modify or incorporate them in order to produce the Goods;

- 6.8 If the Supplier delivers up to and including 10% more or less than the quantity of Goods ordered, the Customer may not reject them, but on receipt of notice from the Customer that the wrong quantity of Goods was delivered, the Supplier shall make a pro rata adjustment to the invoice for the Goods.

- 7. Warranty as to description and Specification**
- 7.1 The Supplier warrants that on delivery the Goods shall:
